VINEYARD PROFILE

The 2005 Paso Robles *No Worries* is produced from grapes grown on our Live Oak Road vineyard in the hills on the north side of Highway 46 West. This vineyard is one of the highest in Paso Robles, located at 1,600 feet elevation. This vineyard has large amounts of limestone in the soil with an average soil pH of approximately 8.

TASTING NOTES

Full-bodied, intense black fruit aromas gain interest from notes of dark chocolate, sweet oak and a whiff of anise. The judicious addition of Petite Sirah offers color and structure making *No Worries* extremely age worthy. With time in the glass it opens up in layers allowing the tannins to soften under a blanket of ripe fruit.

WINEMAKER'S COMMENTS

Rabbit Ridge has created a new red wine called *No Worries* made to resemble the wines "down under." *No Worries* is a blend of 65% Syrah, 25% Cabernet Sauvignon and 10% Petite Sirah that shows a deep garnet and inky, almost black color. Hand-crafted from estate grapes grown on our Live Oak Road vineyard, this special blend is a real dazzler. Picked at the best possible ripeness, the grapes in *No Worries* have earned the nickname "fruit bomb." Bottled on February 28, 2008. 168 cases produced.
