VINEYARD PROFILE

Our Paso Robles Bunny Cuvée is produced from grapes grown on our Live Oak Road vineyard in the hills on the north side of Highway 46 West and our San Marcos vineyard located on San Marcos Road in Paso Robles. The Live Oak Road vineyard is one of the highest in Paso Robles, located at 1,600 feet elevation. In addition, this vineyard has large amounts of limestone in the soil with an average soil pH of approximately 8.

Riverside International Wine Competition

Bronze Medal, May 2007

California Central Coast Mid-State Fair Competition

WINEMAKER'S COMMENTS

Bunny Cuvée is a very serious red blend with an unpretentious name. This exceptional wine is only distributed to a select number of states. The wine is approximately 40% Bordeaux varietals (Cabernet Franc and Petite Verdot) blended with approximately 60% Petite Sirah. The grapes in this special blend come from both our Live Oak Road and San Marcos Vineyards. The wine was aged in new and used French and American oak barrels for approximately 20 months and is totally natural with only yeast added to assist in the fermentation process. This wine was bottled on August 27, 2007 and should age well for a long time. 1,315 cases produced.
