VINEYARD PROFILE

Our Paso Robles Bunny Cuvée is produced from grapes grown on our Live Oak Road vineyard in the hills on the north side of Highway 46 West. This vineyard is one of the highest in Paso Robles, located at 1,600 feet elevation. In addition, this vineyard has large amounts of limestone in the soil with an average soil pH of approximately 8.

Silver Medal, May 2007

Riverside International Wine Competition

WINEMAKER'S COMMENTS

At Easter time each year The Rabbit produces a Bunny Cuvée wine to be distributed to a small number of states. However this particular Bunny Cuvée was blended off-season and is only available to our wine club members. The wine is approximately 60% Bordeaux varietals (Cabernet Sauvignon, Petite Verdot, Cabernet Franc) blended with approximately 40% Petite Sirah. All of the grapes in this special blend were harvested in 2004 and 2005 and come from our Live Oak Road Vineyard. The wine was aged in 100% new oak barrels and is totally natural with only yeast added to assist in the fermentation process. This wine was bottled on November 7, 2006 and should age well for a long time. A wine club exclusive!

Visit the "Awards and Reviews" page on our website for a complete list of awards on our wines.
