TH 0.681
UPC CODE 7 28691 44674 6

VINEYARD PROFILE

The 2005 Estate Grown Paso Robles Cabernet Sauvignon is produced primarily from grapes grown on our Paso Robles west side Live Oak Road vineyard. Located in the hills on the north side of Highway 46 West, this vineyard is one of the highest in Paso Robles at 1,600 feet elevation. This vineyard has large amounts of limestone in the soil with an average soil pH of approximately 8. Live Oak produces three different Entav French clones; Cabernet Sauvignon, Cabernet Franc and Petite Verdot. Additionally this vineyard produces the Petite Sirah that was added to this wine.

TASTING NOTES

Enjoy notes of dark cherry, black currant, cedar and herbs.

Visit the "Awards and Reviews" page on our website for a complete list of awards on our wines.

WINEMAKER'S COMMENTS

This Cabernet Sauvignon was barrel-aged in American oak for approximately 18 months to achieve the perfect balance. Small amounts of Petite Sirah were added to create this big, lush Cabernet Sauvignon boasting a great deal of complexity. The wine was bottled unfiltered and unfinned to preserve all the natural flavors and is totally natural with the exception of yeast added during fermentation. The limestone characteristics of our vineyards allow us to produce this Cabernet Sauvignon with 100% natural acid. 562 cases produced.

Visit the "Awards and Reviews" page on our website for a complete list of awards on our wines.
