VINEYARD PROFILE

The 2004 Paso Robles Syrah is produced primarily from grapes grown on our Crystalla Ranch vineyard, which surrounds the main winery on San Marcos Road. The vines from this vineyard are from an old clone that was grafted for Rabbit Ridge. Additional fruit in this wine came from our Live Oak Road vineyard in the hills on the north side of Highway 46 West. This vineyard is one of the highest in Paso Robles, located at 1,600 feet elevation. In addition, this vineyard has large amounts of limestone in the soil with an average soil pH of approximately 8.

WINEMAKER'S COMMENTS

For optimum grape quality, we plant our vines 3 feet by 6 feet and maintain low picking yields of less than two tons per acre. This Syrah was aged for approximately 20 months in American, French and Hungarian barrels.

TASTING NOTES

This Syrah is a highly extracted, dark, fruity wine with a bold, round finish. You will experience hints of blackcurrant, raspberries and spices.
