VINEYARD PROFILE

Our 2003 Paso Robles Sarah's Syrah, Russell Family Vineyard Reserve is produced from grapes grown on our Live Oak Road vineyard in the hills on the north side of Highway 46 West. This vineyard is one of the highest in Paso Robles, located at 1,600 feet elevation. In addition, this vineyard has large amounts of limestone in the soil with an average soil pH of approximately 8. From the Live Oak Vineyard come three different clones of Syrah; Estrella, Tablas Creek and Entav 877. These vines are planted in three distinctly different locations within the vineyard and the fruit ripens as much as three weeks apart.

TASTING NOTES

This wine is a deep, lush, peppery Syrah and Petite Sirah blend. Enjoy concentrated flavors of raspberry, chocolate and black pepper. This wine has claimed reserve status with only 400 cases produced.
