

RABBIT RIDGE WINERY AND VINEYARDS

2002 Paso Robles Cabernet Sauvignon

Our Paso Robles Cabernet Sauvignon is produced from grapes grown on the Cristalla Ranch vineyard on San Marcos Road. It was barrel-aged in French and American oak for months for the perfect balance. A small amount of Petite Sirah was added to create this big, concentrated, dark Cabernet Sauvignon. Enjoy notes of dark cherry, black currant, cedar, and herbs.

2,488 cases produced.
